Intern Class of 2014

About the Program

Welcome to the Georgia Legislative Internship Program. For over 40 years, Georgia colleges and universities have been providing the General Assembly with outstanding interns each session. During this internship, you will receive firsthand experience of the legislative process. With the help of Georgia State University, schools submit applications for their most promising students to be chosen.

During your time at the State Capitol, interns gain knowledge of the how state government works, how the legislative process works, along with making lifelong career contacts and friendships.

From the Speaker

David Ralston

Dear Future Intern,

The Georgia General Assembly Legislative Internship Program is one of the nation's oldest educational internships to focus on the state legislative process. It was created to give students, like yourself, the opportunity to gain valuable experience working at the State Capitol during the legislative session. You will have the opportunity to learn and see the action in progress-not just reading about it in a book.

Being a part of this program is an honor and a unique experience that will undoubtedly enrich your academic study.

Speaker of the House

From the President Pro-Tempore

David Shafer

Dear Future Intern,

The Georgia General Assembly Legislative Internship Program offers an exceptional opportunity to enrich your educational studies while learning about our state's legislative process. It provides a unique vantage point to observe how bills become laws affecting every Georgian, including you. It is also a one-of-a-kind, hands-on learning experience that is guaranteed to open new doors of opportunity.

It is an honor to be selected for this internship and work among the best and brightest students from across the state. I invite your application and wish you all the best in the selection process.

See it from within... *Experience is Knowledge*

With multiple placement options, intern assignments are designed to give you balanced experiences and various opportunities to gain insight and knowledge into the legislative process.

LEADERSHIP

Exceptional students are selected each session for placement in the leadership offices of the General Assembly. These interns facilitate the flow of legislative information between the leadership offices within the Georgia General Assembly.

Majority Offices

This is a unique placement where you find yourself deeply integrated into the legislative summarization process, providing members with understanding and emphasis into each piece of legislation.

Minority Offices

These internship opportunities place a student under the supervision of the Minority Leader and Minority Whip's office operations. With needs ranging from communications assistance to legislative tracking, this internship is key to these office's effectiveness.

COMMITTEES

Some committees are larger than others and contain many subcommittees within their legislative structure. As the intern for these committees, you will be responsible for assisting committee staff with their legislative duties.

Most committees share legislative staff. In the role as intern for these committees, you will be responsible for the setup of legislative hearings, agenda preparations, research, constituent services, and bill tracking throughout the legislative session for several committees.

COMMUNICATIONS

Print Press

This internship is responsible for taking all floor proceeding notes, drafting press releases, radio & TV scripts, and additional duties.

Telecommunications

Each session, the House employs three interns to direct and produce the video functions of the 'House Legislative Network.' This is a system of live broadcasting, graphic design, and editing of House floor proceedings, committee meetings, press conferences, and Member interviews. use.

LEGISLATIVE COUNSEL

Serving as the in-house counsel for the General Assembly, this office of attorneys provide Members in drafting legislation, counseling legislators and committees, preparing legal opinions on statutory interpretation, and legal research. Each session, three interns are chosen to aid in drafting privileged resolutions for introduction in the House and Senate, and to aid in legal administrative functions.

ADDITIONAL FUNCTIONS

Each session additional opportunities are available for specific needs by the legislature. These areas of focus are generally in the Appropriations, Budget offices, Office of the Clerk, and/or the Secretary of the Senate's office.
